

INTRODUCTION

A Burst of Sensation -From Sound to Taste

Our team collaborated with the owner of "Deng Ba Traditional Puffed Rice" to launch Taiwan's traditional snack, puffed rice, and created an e-book and a website to promote it.

Introduction to the Puffed Rice Website

By leveraging the convenience of modern technology, the platform enhances product visibility while providing information about physical store locations and quick links for online purchases to meet customer needs

Homepage

Introduction to the Puffed Rice E-book To promote rice-based food culture.

Puffed Rice Website Structure

As shown in the Table below.
